FIRE HYDRANT FLUSHING

Village of Bawlf will be continuing fire hydrant flushing between the hours of **9:00 am and 4:00 pm**.

This flushing may agitate the water supply and produce off-color in the system, which is normal and is only temporary.

Residents are cautioned to check water clarity by **running water before** usage for laundry, drinking, etc.

If you have further questions, please contact Water/Wastewater Operator Terry Zapf at 780-608-4421, Monday through Friday.
