

Annual Community Wide Garage Sale Registration

It's that time again! The annual garage sale this year is on May 13th, 2017 and we would like to know which residents are planning on participating with their own sale! Garage sale hours are 9:00am – 4:00 pm and we have quite a few activities planned this year as well. Please get this form back to the Village Office by May 9th at the latest to be included on the garage sale map!

Address: _____
