

WE CAME AND WE STAYED

Volume II

(Official name will be forthcoming)

Bawlf and District History Book Volume II is in the planning stages. This new book will be structured like the first one. It will cover historical information that was not included in the first volume, but will concentrate on the years from 1980 to present day.

Chapters will include businesses, agriculture, industries, churches, schools, organizations, sports, and family histories.

Since 1980 the community has evolved and one constant has always been the school. The goal of the history book is to continue documenting the history.

Everyone who has a connection to this community and or school is encouraged to submit their story.
