# *Grand Opening*

# 203 Hanson Street, Bawlf, Alberta

**VILLAGE OFFICE,  
PUBLIC LIBRARY,  
and  
SENIORS' CLUBROOM**

October 26, 2009

## **Building Description:**

Village Office – The building provides 1188 square feet of space for use by the Village Council and Administration for now and years to come. This includes a reception area, general office space and council chambers.

Public Library – The 848 square feet of space utilized by the Bawlf Public Library nearly doubles the size of the library and also provides additional storage space.

Seniors' Clubroom – The 926 square feet of space allocated to the Bawlf Senior Citizens Society includes a games room and a coffee/social room. The games room accommodates two pool tables, a shuffleboard, and game tables.

Historical Display – A display of historic photographs will be placed on the hallway wall for all to see. *Coming soon!*

## **Acknowledgements:**

This building was constructed in 1985 by the Senior Citizens Society with financial assistance from the province, fund raising events, support from other community groups and numerous private donations. We acknowledge the Senior Citizens Society for providing the building to the Village in 2008 in order to accommodate additional space for the Village Office and the Public Library.

Financial assistance for the 2009 renovations was provided by the Provincial Government through the Municipal Sustainability Initiative Grant Program and Camrose County.
